## How to Register Into Your Thinkwell Course

If your instructor has chosen Thinkwell as part of your course, the following instructions will show you how to register. You only need to register one time and you will be part of your instructor's class. Failure to complete this process means your instructor will not see the results of your work completed in the Thinkwell system.

If you have any questions, email us: techsupport@thinkwell.com.

1. Go to <u>www.thinkwell.com</u> and click "Register."
